3 September 2022

Dear Club Secretary,

Please forward this letter to your Programme Secretary or alternatively, the person in your Club/Society responsible for ordering the Exhibition Portfolio.

EAF 2022 EXHIBITION PORTFOLIO

As we have been able to hold an Exhibition again this year, the work for which is almost complete, we are now able to start preparations for our 2022 Annual Exhibition Portfolio which will be available either as a DVD or file Transfer via WeTransfer.. As in previous years, the Portfolio will contain all the images accepted for the EAF Exhibition, as a menu-driven presentation. There will not be a commentary by Colin Southgate FRPS DPAGB this year which I am sure will disappoint many of you. However you will be able to either look at the images with an automatic transition and music accompaniment or run each section manually with a chance for your Members to discuss the images too.

The Portfolio DVD or download file will cost just £10.00 and is issued as a disc/file that you can keep. This gives excellent viewing on a Club evening on any convenient date and more than once if desired. It is anticipated that the discs will be ready by late September at the latest.

An order form is attached herewith for completion and return to me **by Post please**, as otherwise I have to print each application myself and with well over 100 Clubs in our Federation, this becomes very time consuming and costly for me. Payment is preferably by direct Bank transfer or failing that, by cheque - payee EAF please. As soon as the disc is ready, it will then be dispatched to you.

Once again, the presentation will be produced in PC format only, with one resolution of 1600 x 1200 pixels and will work perfectly well with all projector resolutions.

2022 PAGB INTER- FEDERATION EXHIBITION

I am also taking this opportunity to advise you that the PAGB Print Exhibition/Competition will I assume be available to download via the PAGB website, Recorded Lecture service for a small fee. This also gives a good opportunity to see some of the best work from around the UK, accepted for the PAGB Inter-Federation Competition/ Exhibition.

Yours sincerely

Exhibition Secretary
